Accent® Opaque

A PREMIUM SHEET AT A COMPETITIVE PRICE

Turns out you *can* have it all

Exceptional Performance

- Smooth, level printing surface for crisp, vivid images and consistent production
- 97 brightness and preferred blue-white shade for standout print contrast
- Excellent opacity for minimal show-through — print in full color on both sides of the sheet

Sustainably Made

- Fiber sourced from sustainably managed forests for the health of the whole ecosystem
- Third-party certifications and chain of custody documentation from FSC® and SFI®
- Choose Accent Opaque RE-30 for an option made with 30% post-consumer fiber

Priced Right

- Up to 25% less than comparable uncoated sheets on the market
- On-press performance rivals other premium brands
- Use the cost savings to lower overall print spend, increase production size or add die cuts, embossing, foil stamps and other specialty techniques
